This End-User License Agreement (EULA) is a legal agreement between you (either as an individual or on behalf of an entity) and [David S. Sommers] regarding your use of [AudioDrama aka Audio Drama]'s desktop applications, and associated documentation (the "Software"). IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THIS EULA, DO NOT INSTALL, USE OR COPY THE SOFTWARE.

## Summary

- If so, you may use the Software for free and for any lawful purpose.
- This Software is provided "as-is" with no warranties, and you agree that [David S. Sommers] is not liable for anything you do with it.
- You really ought to just go ahead and read the whole EULA. It's not all that long. You should not only rely on this summary.

## The Agreement

By downloading, installing, using, or copying the Software, you accept and agree to be bound by the terms of this EULA. If you do not agree to all of the terms of this EULA, you may not download, install, use or copy the Software.

## The License

This EULA entitles you to install as many copies of the Software as you want, and use the Software for any lawful purpose consistent with this EULA. Your license to use the Software is expressly conditioned upon your agreement to all of the terms of this EULA. This software is licensed, not sold. [David S. Sommers] reserves all other rights not granted by this EULA.

## The Restrictions

1. When using the Software you must use it in a manner that complies with the applicable laws in the jurisdiction(s) in which you use the Software.

## Privacy Notices

In future releases of the software, it may automatically do updates and or send error reports back to the developer. If you do not want the Software to update automatically or send error reports, you must uninstall the Software.

1. **Automatic Software Updates.** The Software communicates with its server to determine whether there are any patches, bug fixes, updates, upgrades or other modifications to improve the Software. You agree that the Software may automatically install any such improvements to the Software on your computer without providing any further notice or receiving any additional consent. This feature may not be disabled. If you do not want to receive automatic updates, you must uninstall the Software.
2. **Error Reports.** In order to help us improve the Software, when the Software encounters certain errors, it will automatically send some information to its server about the error. This feature may not be disabled. If you do not want to send error reports to its server, you must uninstall the Software.

## **Open-Source Notices**

Certain components of the Software may be subject to open-source software licenses ("Open-Source Components"), which means any software license approved as open-source licenses by the Open Source Initiative or any substantially similar licenses, including without limitation any license that, as a condition of distribution of the software licensed under such license, requires that the distributor make the software available in source code format. The Software documentation includes copies of the licenses applicable to the Open-Source Components.

To the extent there is conflict between the license terms covering the Open-Source Components and this EULA, the terms of such licenses will apply in lieu of the terms of this EULA. To the extent the terms of the licenses applicable to Open-Source Components prohibit any of the restrictions in this Agreement with respect to such Open-Source Component; such restrictions will not apply to such Open-Source Component. To the extent the terms of the licenses applicable to Open-Source Components require Licensor to make an offer to provide source code in connection with the Product, such offer is hereby made, and you may exercise it by contacting [ytsommers@gmail.com].

## **Intellectual Property Notices**

The Software and all worldwide copyrights, trade secrets, and other intellectual property rights therein are the exclusive property of [David S. Sommers]. [David S. Sommers] reserves all rights in and to the Software not expressly granted to you in this EULA.

## **Disclaimers and Limitations on Liability**
